SCIENTISTS ALL AT PAULT. | STRUGGLE WITH A TELEPHONE Secretary Shaw Tells Good Story or lowa Clergyman.

Secretary Shaw has just returned round of visits to his old friends in bringing with him a story he picked up in the Hawkey State. The secretary visited a col lege president, who is also a "rev and was invited to stay for supper with the doctor and his fami-A telephone had just been added by the naked eye, because of the to the luxuries of the household and star's distance, but really with imthe to the luxuries of the household and somewhat wrought up in an effort to communicate with a near-by town. He had sat at the telephone deak with the receiver to his ear, held in place by resting his elbow on the table, and ejaculating "Hello" with nearly every been suggested that the apparent mo-tion was really only a progressive il-minutes. In the meantime his wife lumination of the nebulous matter by had been urging him to leave the in-light from the exploded star. But Prof. Simon Newcomb calculates that table. This he finally did. He sa down and the family composed itself f light.

We have thus actually observed a hands to his head, and, greatly to he ejaculated in a subdued tone,

tone, "Hello!" Hatched in Peculiar Way. A suburban Philadelphia banker tells this story to illustrate his hens prowess in egg-laying: "Some time ago," he says, "an egg was left for a nest egg in the place where my hens This nest egg, the other day, lay. hatched, and I have now one ionely little chick, which several dozen mothers care for. Here is the expianation of the miracle: My heas are such steady layers that one would no sooner get off the nest egg, having deposited a fresh egg beside it, than another would slip on, and in her turn lay. . Thus by dozens of different mothers the solltary egg was hatched. Though no one hen 'sat' on it, nevertheless it was kept always warm, and in due time there stepped forth from

it a lonely but vigorous little chick." Interesting Golden Wedding. interesting services were held the other afternoon in old St. Paul's church, Broadway, New York, in con section with the golden wedding anniversay of Mr. and Mrs. Albert Wilheim Berg, 78 and 73 years old respectively. Arm in arm they walked up the same aisle that they traversed half a century before, four children and five grandchildren acting as ea cort. The services consisted of pray ers, music and the reading of passages appropriate to the occasion. Rela tives and friends of the old coupli filled the church. Mr. Berg is a wellknown composer of church music, and several of the pieces played were of his composition.

Our Savior's Trial. interesting and unusual as an evening service was the one recently held presiding bishop of that church in the at the Bethany Presbyterian church United States, is coming near in of New York, when Waiter M. Chandenglith of years to the record of Leo ler of the New York bar delivered his XIII. Bishop Clark entered his nines lecture on "The Trial of Jesus from ty-second year last Saturday, and dur- a Lawyer's Standpoint." This lecture while reverent and devout in its character, is a strong presentation of the totally illegal nature of that trial. Mr. Chandler tells in brief and pointed fashion just what was the Jewish law about such trials and shows that almost every step taken at that time was a violation of the law. From the Roman standpoint the arraignment before Herod and Pilate could not be designated as trials at all.

Career of President Loubet. President Loubet, who recently vis ited England, was prime minister of France and president of the senate, but it was not until he became president of France that his name attracted much attention. Frenchmen sometimes take singularly little interest in political representatives, and it was not until M. Loutbet attained a the south it will be largely because the dignity of chief of the state in ex-Gov. Hogg's efforts. The big 1899 that his features became known even to Parisians.

New York is to have a "be queen." A brewery worth \$5,000,000, roducing 500,000 barrels of beer anqually and yielding \$500,000 in profit the United States to be thus honored, is to be owned and managed by a woman. After years of litigation Mrs. Josephine Schmidt has been awarded erty left by her husband and she personally conduct the business.
